**From the Station of the Exalted Ruler  
Dr. Gene DeAngelis**

My, how the time flies. I remember my first article published in the April 2010 *Six-Bells*. Now, I am writing my last article for this year.

2010-2011 has been an interesting and learning experience. The San Pedro Elks Lodge is still afloat while experiencing many trying times, as well as many good times.

With the coming of the new year, I hope that you give the new Officer Corps the support and help that they will need in these trying times, that they will surely need to have our Lodge and Club prosper. This is a great facility, but it takes a great many man hours, the diligence of the members, and the cooperation of all concerned. The Elks Lodge has prospered over these many years by works of Charity to the less fortunate and works of Patriotism for our country. This ideas must never be compromised for us to continue in our community of San Pedro, for, without a purpose for being, we will surely perish.

Thank you for the opportunity of serving our Lodge as Exalted Ruler once again.

**Lodge Meetings Move Back to Monday Nights**

On Tuesday, February 15, 2011, at the regular business meeting of the Lodge, the Members voted to change the regular business meetings back to Mondays; this change also requires approval by the Grand Lodge Committee on the Judiciary and will become effective on or about April 4, 2011, which night will be an Open Meeting (bring your whole family and all your friends) for the Installation of Officers for the 2011-2012 Lodge Year.

**Club Management Vote Deferred to February 22**

The vote to change the way we manage the bar and restaurant was deferred until February 22 and the outcome of that vote will be announced in the April *Six-Bells*. That proposal is as follows:

**Article IX: Home, Club or Other Facility**

The operation, management and control of the Home, Club or Other Facility owned and/or operated by this Lodge shall be supervised and conducted by the Board of Directors of the Home (Club, etc.) Corporation, incorporated under Section 16.030, of the Statutes of the Order, consisting of seven Members.

**From the Station of the Leading Knight  
Ken Getzin**

Well we have come to the conclusion of another Elks year. New officers have been elected and will take office on April 1st. Please wish them well as they become our leaders. The management of a Lodge our size is not an easy task and they have before them a lot of hard work. So I ask all our members to provide as much support as possible. More about our future challenges in subsequent issues.

The next big event on our horizon is the **Purple Bubble Ball** which will be held on March 12. Our donations to the Purple Pig and the CHEA major projects have been lagging this year and this is a good opportunity to make up the slack.

Also in March we will celebrate **St. Patrick's Day**. The date will be March 17th, the day where we all become Irish for a day. There will be a special menu served all day and into the evening. There will be music and dancing. So join us for the "Wearing of the Green" and have a great time.

The **Installation of Officers** will be on the first meeting in April [probably Monday, April 4]. This will be an Open Meeting so family and friends are invited. The meeting begins at 7:30 pm.

The **Inaugural Ball** is scheduled for April 16. More details will be in the next Six Bell.

It has been a pleasure to serve as your Leading Knight this past year. I sincerely thank all those who gave me words of encouragement and thanks

Ken Getzin - PER, Exalted Ruler Elect

**...from the Membership Chairman**

Proposition: If one current Elk Member can sponsor two friends to join our Lodge within two months and then ask them to do the same, San Pedro Lodge could have 64 new Members at the end of one year. At the end of two years, we will have 4,092 new Members, more than double our current membership. Say goodbye to dues increases and I can go fishing 24/7. Therefore, our Membership Slogan is:

**"Each One Reach Two, in a Month or Two"**

Of course, we might reach the limits of who knows whom, but, whatever you do, bring your friends to the Lodge and to our Special Event, show them what we have, and invite them to join.

Fraternally, Bill Chang, Membership Chairman

**From the Station of the Loyal Knight  
Mike Bennison**

Do you know why God invented alcohol? So the Irish wouldn't rule the World.

As we all know that everyone's Irish on Saint Patrick's Day. Whether your name is O'Malley or O'Martinez, join us at the Lodge on Thursday, March 17th, for traditional Irish food and drink. Wear your green or orange, it doesn't matter. Dust off your vocal chords and join us in singing a few, wee Irish tunes. Yours truly will be there with guitar in hand to play the three chords that are needed for any and all Irish tunes. Let's have some fun.

Fraternally, Mike

**From the Station of the Lecturing Knight  
Della Warner**

This will be my last report as Lecturing Knight. I have enjoyed this station and as I continue on in the Lodge chairs, I will still need everyone's support. I hope to see more members when we change our meetings back to Mondays again

The Old Timer's evening was very successful. We had many in attendance at our meeting and the dining room was filled to capacity for dinner. We presented two sixty year pins, to Matty

Domancich and Paul Keil. We congratulate them for their long service to our Lodge. We also had six, fifty year members, seven, forty year members and ten, 30 year members receiving their pins. This was a great evening seeing so many get their pins and having the Lodge room filled.

We had a successful Valentines dinner dance. Music was great.

If it's true that we're here to help others, then what are the others here for?

**Our Manager – Moti Baron**

Our fiscal year comes to an end March: new Officers, new Exalted Ruler, new House Committee, and new cost-saving efforts. With that in mind, I will continue working with the Officers to enhance the goods, services, and programs available at the Lodge, focusing and developing the offerings that will strengthen the club community.

Chef Eddie has done it again by creating a new delightful lunch menu served from the

kitchen. Our club has also been receiving stellar reviews from the Members and their guests, be it the fresh menu or the function business. Speaking of functions, that is the best boost we could wish and get from you, the Members, by considering the Lodge as the place for your next event; be it a family dinner, a wedding, anniversary, or birthday party, we can do it all.

The Valentine’s Day dinner dance was a spectacular wonderful sweetheart event and well-received by those in attendance. The Tropic Starr Band really got the crowd going. It is terrific to see the Members using and enjoying the Club’s many offerings.

I have been talking with some of the Moms looking to set up a youth committee to encourage the next generation interest in participation in the Lodge, creating a youth movement by supporting family friendly programs. As someone once said “Children are the world’s most valuable resource and its best hope for the future.” In your next visit to the Lodge, please let me know if you are interested in being part of this committee.

Join us on St. Patrick’s Day, March 17th, for a great menu and spectacular festive atmosphere. Have your Green on while Chef Eddie serves up traditional Irish delights.

On Saturday, March 19th, we have planed a St. Patrick’s dance party at “CLUB 966” Grab a friend and bring your best moves to dance the night away, as our Pedro Boys, One Ten South, in conjunction with DJ Mickey V will be on one stage!

Easter is just around the corner. Skip the cooking and cleaning and join us for an amazing meal with family and friends, Reservations are encouraged for all these terrific events.

As always, I welcome your ideas and suggestions as we strive to provide added value to your club experience. I am available to you via phone 310-831-0624 ext 107 or via e-mail [elks966gm@gmail.com](mailto:elks966gm@gmail.com)

See you at the Lodge!

## Elks National Foundation

March is the final month in our Elks 2010-11 fiscal year, as we pursue the per diem goal of \$4.50 set by the Grand Exalted Ruler. Our ENF contributions have grown since December, and this is our final push to send a little more money to our Elks National Foundation, to benefit the many programs, i.e. State Association Grants, Scholarship, Veterans Service, "Hoop

Shoot" free throw contest, Memorial Building Maintenance, Drug Awareness, and Community Investments.

The following are some current ENF Volunteer Testimonials, from Elks members in our "Golden State" of California.

Carolyn Shupe, Santa Barbara, CA, Lodge No. 613: About two years ago, Carolyn Shupe decided to join her local Elks Lodge and, with her experience as a teacher, was immediately assigned to maintain the Lodge's bulletin boards. When the Leading Knight at her Lodge asked her to take on the ENF Chairmanship, she gladly accepted.

Kevin P. O'Shaughnessy, Victorville, CA: Enthusiasm goes a long way. So does a bit of friendly competition. Both of these are helping the ENF in the Lodge and District of ENF Chair Kevin O'Shaughnessy.

Janet Rasmussen, Poway, CA, Lodge No. 2543: When Janet Rasmussen first joined, she knew nothing about the Elks. Now a very busy District ENF Chairperson, Rasmussen is also the Exalted Ruler for Lodge!

Alice Phillips, Palm Springs, CA, Lodge No. 1905: Alice Phillips takes on her role as ENF chair as she would with any job, exuding pride and optimism. She's a strong believer in each program, and is more than willing to go the extra mile for what she believes. "I welcome the challenges of meeting goals and increasing the per capita. I truly enjoy working with the Elks," says Phillips.

George Kellerman, Sonora, CA Lodge No. 1587: Before he retired, George Kellerman's work involved managing foundation and endowment money. After retirement, working for the Elks National Foundation seemed a natural fit for him.

Greg Merritt, Poway, CA Lodge No. 2543: Gregg Merritt has served in the United States Marine Corps for 18 years. He was on active duty for 7 of those years and has been in the reserves ever since, most recently serving in Iraq. Of his military experience, Greg says, "Seeing the world the way that I have has been an extraordinary opportunity for me. Not to mention the pride of serving my country."

...where fun and camaraderie reign!

In March we traditionally celebrate St. Patrick's Day and this year is no different. We will have Corn Beef and Cabbage with the trimmings and the usual Catch of the day.

There is an old saying that everyone becomes Irish for this one day and we ask that you all wear Green.

Our Speaker will bring you all the latest information on the plans to bring the Battleship Iowa out of moth balls and moor it in San Pedro as a tourist attraction. Bring your questions.

My latest conversation with the nominating committee is that they have a full slate to present to you for election as next year's officers. We will also have a special presentation to our retiring Treasurer Gene Grimm.

We also are in the process of rebuilding the telephone committee. Betty Olsen is coordinating and has a few who have volunteered to help. If you want to help, please contact Betty and join in. We are looking to limit your calling load to 1015 members each. Please help!

Past Exalted Rulers Association

## Attention all Members!

One of the cost saving ideas which has been proposed is to move from a fully snail mail based **Six-Bells** delivery system to a hybrid system, combining e-mail delivery with the traditional mail based delivery. Currently, the **Six-Bells** is posted on line at <http://www.pjdphoto.com/Elks/welcome.html> and is made available several days before you receive your hard copy in the mail. The idea is to expand this service to as many members as are willing to forego a paper copy and accept an electronic delivery instead. We could save the cost of printing, processing and postage and handling all of which would ease the Lodge's expenses.

Over the years we have collected many e-mail addresses for our Members but they represent only a small percentage of the total membership. E-mail delivery could be very cost effective if we could collect the e-mail addresses of around half of the members and if these members would be willing to forgo receiving the bulletin in the mail.

If you are willing to assist in reducing this cost please provide your e-mail address to the lodge and indicate that you want on line delivery of the newsletter/bulletin. You can also e-mail: martin at sanpedroelks.org. We will carefully manage these addresses and they will not become available to any third party.

Thank you for helping reduce our costs.

Ken Getzin PER - for the House Committee
